

# OPTIMIZED SLIM VERSION G2\_NO CORNER GUARDS + PEN HOLDER

As slim as possible and drop resistant at the same time - the NO CORNER GUARDS for the TOUGHBOOK G2 offer perfect protection for devices without attached modules. Only in this slim version the devices fit into slim docks such as the GAMBER & JOHNSON Slim Dock.

The slim version also includes the PWA PEN HOLDER, with which the touch pen sits firmly and securely on the side of the tablet without affecting the fit of the device. As with the NO CORNER GUARDS, only with this PWA solution the tablet including PEN HOLDER fits into the docking stations provided.

## FUNCTION

Drop-proofed, cradle-specific design and integration of touch pen

## FACTS

- Only with the NO CORNER GUARDS the TOUGHBOOK G2 fits into slim docking stations such as the GAMBER & JOHNSON Slim Dock.
- The PEN HOLDER attached to the side allows its secure fixation to the tablet.
